## President's Letter .....

### HAPPY FOURTH of JULY!

Our forefathers gave us a wonderful country and freedom to celebrate. Join us in Seward on July 4 to show your car at the morning car show and/or participate in the afternoon parade! It's usually one of the hottest days of the year but the crowd is welcoming and it's fun to share our patriotism. Plan to wear your new Cornhusker Model A Ford Club t-shirt to show your club pride!

We have several other events planned – the Legacy Terrace Car Display on July 13 and the Ceresco Days Car Show & Parade on July 13. Get those Model As out and let others see how great it is have a classic car!

The 65 in 2025 Celebration committee has info to share at our July meeting and I'm hoping everyone will be excited to get involved in celebrating our chapter's 65<sup>th</sup> birthday!

*Nancy*

### Tech Tip

Does your light do the hula when the steering wheel is turned?  
 To remedy, remove horn tube, cut gasket from thin piece of felt, flannel, or velvet, to fit over tube hole shiny spot on steering wheel. Replace horn tube. The cloth gasket stops the wiggle.

## July MAFFI Minute

(Model A Ford Foundation, Inc.)

Model A Enthusiasts:

Don't you cherish these days when we can go cruisin' in our precious Model A's? Are you decked out in Model A gear? If not, that's an easily remedied problem. Just go to the MAFFI website collection ([maffi.org](http://maffi.org) –click on “store”) and choose one---or some! It's a “fashionable” way to support your hobby!!

As of June 20, we're only 92 days away from Model A Days at the Gilmore Auto Museum! The Model A Days' Planning Committee is nearly ready for the big event. We're excited and we hope you make plans to join us. While you're on that website getting your Model A gear, click on the link for Model A Days and get registered for your hotel and Model A Days: Friday, September 20 and Saturday, September 21. You don't want to miss the unveiling of the “bus”, do you?

The Gilmore Auto Museum has been in construction mode these last few months so there are a lot of changes at the museum (picnic spots, food and beverage facilities, and more restrooms). We're excited to have so much to offer you this year at Model A Days! Motor on in to Hickory Corners in September!!
